

Calling all Potters...

(and Pottery Interested)

You're Invited to a **Potters' Potluck**

Thursday, July 6th at 6:00 pm
New Journey United Church of Christ
31 – 4th Avenue SW, Hutchinson MN

Why?

- To Strengthen Community amongst Local Potters
- To Brainstorm Ideas for Promoting Pottery in the Area
- To Consider Involvement in an Empty Bowls Event

I came to Hutchinson as a hobby potter, having had access to a community studio. Of course I've missed having easy access to wedging tables and wheels and slab-rollers and kilns. But even more-so, I've missed the community that was built amongst others that came to that open-access facility.

So join me for a potluck meal and conversation. Talk about what you're doing and what you're dreaming about, and I'll tell you what I and the members of New Journey have been thinking.

Jill Warner, Pastor – New Journey UCC

(No RSVP needed – Bring a dish to share if you choose. We'll provide a beverage.)
